

Hirsch Lyons Nursery School

This year we have continued fulfilling our passion of teaching the children entrusted to our care a love of Hashem and His Torah, a refinement of character traits and good middos. We have said 'lehitra-ot' to a handful of pupils who have made Aliya and we have welcomed new friends to our Hirsch Lyons Family.

This year the children continued to enjoy learning Torah with Derech Eretz, refining their middos and being good friends. Daily davening rings, Parsha discussions in class and weekly Torah Insights with Morah Dina, chaggim themes, arts and crafts, games, playtime negotiation and co-operation and the much loved end of the day story-time have all been part of their lives. The children love learning sporting skills with Coach Calvin, Music with Morah Debbi and strengthening their core with Morah Lauren each week.

In spite of a lack of parking we held a wonderful Sukkos Carnival over Chol Hamoed Succos. The revamped parking area is looking amazing and nearing completion and we look forward to using it **next year**.

For the Shabbas Project we invited Bobbies and Zaidies, our own and from Sandringham Garden, to enjoy a Shabbas Sing-a-long with us. They loved it so much, they are coming back for a Channukah sing a long!

I thank my wonderful staff of dedicated, loving and caring teachers and friends for their hard work and commitment. Together we look forward to **Next Year**.

We are excited with the appointment of Morah Sharon Froom as the head of our nursery school in 2019. This decision was taken after many interviews and Morah Sharon was chosen based on her teaching experience, passion, energy and commitment to our school and its ethos. All the Staff and I are extremely happy to be working with someone we know and love. We wish her much success in this new position **next year 5780/2019**.

Together we will continue our responsibility to Hashem and to the next generation of Bnei Yisrael; fulfilling Hashem's words in Parsha Vayera, Bereishis 18.29 concerning Avraham that he, (Avraham), will command his children and his household after him to keep the ways of the Eternal, to do righteousness and judgment.

Nicely and with Derech Eretz at Hirsch Lyons Nursery School
