

## MAZALTOV TO OUR MATRICULANTS OF 2018

It is with a great sense of Hakoras HaTov to Hashem and an acknowledgement of the hard work of our exceptional students and staff that we share their results.

Once again Hirsch Lyons Schools maintained a **100% University Exemption Pass Rate.**

Overall Hirsch Lyons students achieved **3.4 distinctions per student.**

**"A"s and "B"s** accounted for **81%** of all results.

We are humbled by our students achievements and are so proud of their commitment to Torah, middos tovos and Derech Eretz.

Our Matrics did not lose focus of their Torah study and they displayed continuous warmth, kindness and chesed throughout their Matric year. They received the brilliant IEB results, BUT the greatest result of all, is who they are as people and the contribution they make to the world at large. Well done and Mazal Tov on your incredible results, class of 2018!!!!

We look forward to hearing about your achievements in the future.
